- Failure to be in the correct uniform the following day will result in the parents of the student concerned contacted directly. Parents will be informed that failure to wear the correct uniform the next day will result in the student being removed from class the next day until the correct uniform is being worn unless written permission is obtained from the principal to remain in class due to exceptional circumstances.

### **The uniform is to be worn with pride, and in a clean condition.**

Marking or defacing the School Uniform is not acceptable and will be dealt with as a behavioural issue.

If Boys are wearing long socks as part of their uniform choice, these are to be pulled up under the knee.

Hats are to be worn in the manner they were designed for.

Students may wear black or navy blue short sleeve thermals underneath their school uniform. Long sleeve thermal tops are only to be worn underneath long sleeve polo shirts.

### **Raincoats and jackets - From Term 2 2010**

Children are able to wear any type of Raincoat to and from school on wet days.

## **Physical Education Programmes and Sporting Events**

Students involved in school sports teams from 2010 will be required to wear either the school polo shirt or sports shirts unless a specific shirt has been supplied (e.g. Rugby)

The children will not be required to wear a separate uniform for classroom Physical Education programmes.

Children may wear a separate shirt of their own choosing if participating in Physical Education or rough and tumble games.
